

Coronation Cup - 8th May 2023

In a ceremony dating as far back as 2023, the Queens and Kings of the Tennis Courts were crowned as we celebrated the Coronation Bank Holiday at DTSC.

In the finest traditions of British Bank Holidays, the weather forecast was dreadful, but we persisted and it precipitated - all day long. Everyone got a bit damp, but we had a great day's tennis and a fun social potluck Royal Banquet. Our Coronation Cup was a new format for our tennis tournaments and although only doubles was played, we had 3 individual winners. The winners were decided on a points scoring system. Only tie-breaks were played, with and against your partners on court and your ranking over several rounds was determined by points won minus points lost.

Our 3 winners were:

Overall Winner and Queen of King Charles' Court - **Sally Dinham-Scott.**

King of Queen Camilla's Court - **Alister Millar.**

Queen of Prince Harry's Court - **Binny Blackburn.**

Many thanks to everyone for participating and spectating and for bringing along such delicious food for our Royal Banquet.
